Defense Logistics Agency  
Fort Belvoir, VA

**DNSC's Environmental, Safety and Occupational Health Policy Statement**

1. DNSC is dedicated to conducting its business with respect and care for its people and the environment. DNSC will achieve environmental, safety and occupational health (ESOH) excellence through proactive management that is among the highest corporate priorities. By implementing the principles outlined below, we intend to improve the environment and protect our employees, our customers, and the communities in which we do business.

**We will:**

2. Conduct all operations, including distribution and sales of stockpile materials, in compliance with applicable environmental, safety and occupational health laws and regulations, and corporate policies and procedures.
3. Continually improve our ESOH performance through training and integrating environmental, safety and occupational health considerations into our business planning process.
4. Assess our ESOH objectives and targets on a regular basis.
5. Foster dialogue with our employees and the public and respond to their concerns about potential ESOH impacts of our operations.
6. Promote environmental stewardship through the prevention of pollution and protecting and conserving natural and cultural resources.
7. Provide adequate resources to meet our ESOH commitments.
8. Support analysis of emerging ESOH issues and the development of cost-effective solutions of ESOH problems.
9. Work with our contractors and customers worldwide to promote the use and/or sale of our products and services in an environmentally beneficial and safe manner.
10. Compliance with applicable environmental standards and safety and occupational health regulations is a critical element of our business success. All employees, beginning with top management, are responsible for implementing this policy and ensuring ongoing environmental, safety and occupational health compliance and protection.
